

## How can the AOBA Alliance, Inc. Energy Program help your business?

The AOBA Alliance, Inc. (AOBA) chose Constellation as their endorsed energy supplier to provide value to members like you. AOBA members can manage energy costs in new and powerful ways to achieve budget certainty, cost savings, and financial protection with Constellation's full range of integrated energy solutions. Constellation also provides AOBA with educational materials and a dedicated focus serving manufacturers.

### Why Choose the AOBA Alliance, Inc. Energy Program?

- Serves over 1,350 AOBA Alliance, Inc. participants and over 9,000 of their accounts throughout the District of Columbia, Maryland, Virginia and Pennsylvania
- Selected Constellation as endorsed competitive electricity and natural gas supplier in 2010
- Pre-negotiated contract terms for the commercial real estate and multi-family housing industries
- Dedicated local Constellation and AOBA Alliance, Inc. representatives ensure timely and accurate customer care services
- Free online energy management tools to track usage and billing
- Dedicated focus on serving commercial property owners and managers
- Customized energy offers specifically designed for commercial property owners and managers

## Now's the Time to Proactively Manage Your Energy Budget

Energy has become one of the top five expenses for many businesses, no matter what their size. Today, more businesses are looking to Constellation to develop energy strategies to help manage these costs. Whether your business is looking for cost certainty with a fixed price solution; access to real-time market pricing with an index solution; or a more complex risk mitigation strategy, the AOBA Energy Program can offer customized solutions for your business.

Constellation is a leading competitive retail and wholesale supplier of power, natural gas and energy products and services across the continental United States. Constellation's family of retail businesses serves residential, public sector and business customers, including more than two-thirds of the Fortune 100
