Your Marketter
• Develops and manages programs and services to meet your needs
• Provides credit support
• Procures, delivers and manages physical supply

Your Administrator
• Ensures efficient execution and response
• Reports and analyzes
• Pass-through pool benefits
• Mitigates utility constraint days
• Manages daily balancing/storage

A Full-Service Provider

Constellation is a full-service provider of natural gas supply and transportation-related services to customers throughout the US, including commercial, industrial, municipal and power generation facilities.
Constellation—Making Energy Work For You.

**Constellation**, an Exelon company, is a leading competitive supplier of power, natural gas, renewable energy and energy management products and services for homes and businesses across the continental US. We provide integrated energy solutions that help customers strategically buy, manage and use their energy. Our customers, including two-thirds of the Fortune 100, rely on our commitment to innovation, reliability, transparency and service. That is the kind of value you and your communities can expect from Constellation.

### Serving Competitive Energy Markets Throughout The US

Our offices are strategically located and staffed with energy experts to serve customers in all competitive energy markets in the US.

Solar solutions, energy efficiency projects and renewable energy are also available across the continental US.
