

## How can the Kansas Chamber Energy Program help your business?

The Kansas Chamber chose Constellation as their endorsed energy supplier to provide value to members like you. Kansas Chamber members can manage energy costs in new and powerful ways to achieve budget certainty, cost savings, and financial protection with Constellation's full range of integrated energy solutions. Constellation also provides Kansas Chamber members with educational materials and a dedicated focus serving businesses like yours.

### Why Choose the Kansas Chamber Energy Program?

- Selected Constellation as endorsed competitive natural gas supplier in 2019
- Fully negotiated multi-year contract terms give the option to lock-in competitive prices for the short- or long-term
- Free online energy management tools to track usage and billing
- Customized energy offers specifically designed for businesses
- Dedicated customer care representatives ensure timely and accurate billing services
- Serves the Kansas Chamber members throughout the state of Kansas
- Dedicated focus on serving businesses

## Now's the Time to Proactively Manage Your Energy Budget

Energy has become one of the top five expenses for many businesses, no matter what their size. Today, more businesses are looking to Constellation to develop energy strategies to help manage these costs. Whether your business is looking for cost certainty with a fixed price solution; access to real-time market pricing with an index solution; or a more complex risk mitigation strategy, the Kansas Chamber Energy Program can offer customized solutions for your business.

Constellation is a leading competitive retail and wholesale supplier of power, natural gas and energy products and services across the continental United States. Constellation's family of retail businesses serves residential, public sector and business customers, including more than two-thirds of the Fortune 100
