

How can the Massachusetts Municipal Association Energy Program help your municipality?

The Massachusetts Municipal Association (MMA) chose Constellation as their endorsed energy supplier to provide value to members like you. MMA members can manage energy costs in new and powerful ways to achieve budget certainty, cost savings, and financial protection with Constellation's full range of integrated energy solutions. Constellation also provides MMA with educational materials and a dedicated focus serving cities and towns.

Why Choose the Massachusetts Municipal Association Energy Program?

- Endorsed energy supplier to the MMA's MunEnergy Program providing energy education and solutions to municipal members across the Commonwealth of Massachusetts since 1998.
- Flexibility in setting terms, such as "layering" your contracted purchases to mitigate spikes in energy pricing, allowing you to lock-in a percentage of future usage throughout the course of your agreement.
- Dedicated, experienced MunEnergy team members analyze load profiles to offer various options for municipalities to manage their energy budget.
- Contract has been negotiated and vetted by the MMA's attorneys who specialize in municipal energy issues
- On-call MMA attorney available for questions about the benefits of the fully-vetted energy contract at no cost
- Sales offices located throughout the state and regional offices located in Boston, Everett and Lowell
- Free online energy management tools to track usage and billing
- Customized energy offers specifically designed for municipalities
- MunEnergy team is available to present at energy discussion meetings

Now's the Time to Proactively Manage Your Energy Budget

Energy has become one of the top five expenses for many businesses, no matter what their size. Today, more businesses are looking to Constellation to develop energy strategies to help manage these costs. Whether your business is looking for cost certainty with a fixed price solution; access to real-time market pricing with an index solution; or a more complex risk mitigation strategy, the MMA Energy Program can offer customized solutions for your business.

Constellation is a leading competitive retail and wholesale supplier of power, natural gas and energy products and services across the continental United States. Constellation's family of retail businesses serves residential, public sector and business customers, including more than two-thirds of the Fortune 100
