

How can the New York Association of Convenience Stores Energy Program help your business?

The New York Association of Convenience Stores (NYACS) chose Constellation as their endorsed electricity supplier to provide value to your business. NYACS members can manage electricity costs in new and powerful ways to achieve budget certainty, cost savings, and financial protection with Constellation's full range of integrated energy solutions. Constellation also provides NYACS with educational materials, sustainability solutions, and a dedicated focus of serving you.

Why Choose the New York Association of Convenience Stores Energy Program?

- Customized electricity offers specifically designed for municipalities
- Fully negotiated multi-year contract terms give the option to lock in competitive prices for the short or long term
- Dedicated, experienced staff to analyze load profiles to offer various options for municipalities to manage their electricity budget
- Flexibility in setting terms, such as "layering" your contracted purchases to mitigate spikes in electricity pricing
- Free online energy management tools to track usage and billing
- Fully staffed local New York offices

Now's the Time to Proactively Manage Your Energy Budget

Energy has become one of the top five expenses for many businesses, no matter what their size. Today, more businesses are looking to Constellation to develop energy strategies to help manage these costs. Whether your business is looking for cost certainty with a fixed price solution; access to real-time market pricing with an index solution; or a more complex risk mitigation strategy, the New York Association of Convenience Stores Energy Program can offer customized solutions for your business.

Constellation is a leading competitive retail and wholesale supplier of power, natural gas and energy products and services across the continental United States. Constellation's family of retail businesses serves residential, public sector and business customers, including more than two-thirds of the Fortune 100
