

How can the PowerOptions Electricity Supply Program help your organization?

PowerOptions chose Constellation in a competitive RFP process, to supply electricity and provide value to members like you. PowerOptions members can manage energy costs in new and powerful ways to achieve budget certainty, cost savings, and financial protection with Constellation's full range of integrated energy solutions. Constellation also provides PowerOptions with educational materials and a dedicated focus on serving nonprofits.

Why Choose the PowerOptions Electricity Supply Program?

- Access to exclusive PowerOptions Participant Agreement, negotiated and vetted by PowerOptions on behalf of its nonprofit members
- Competitively procured, pre-negotiated electricity supply arrangements specifically designed for nonprofit and public entity members which include unique protections against added or unexpected costs
- Leverage the size of the PowerOptions program to benefit from solar opportunities
- Constellation's full range of integrated energy solutions and tools to managed your budget and track energy usage and billing
- Lock-in competitive prices for the short- or long-term
- Parental guarantee assuring Constellation's performance
- Dedicated PowerOptions and Constellation staff available to assist with any energy issue
- Regular updates on the energy market industry and regulatory issues

Now's the Time to Proactively Manage Your Energy Budget

Energy has become one of the top five expenses for many businesses, no matter what their size. Today, more businesses are looking to Constellation to develop energy strategies to help manage these costs. Whether your business is looking for cost certainty with a fixed price solution; access to real-time market pricing with an index solution; or a more complex risk mitigation strategy, the POWEROPTIONS Energy Program can offer customized solutions for your business.

Constellation is a leading competitive retail and wholesale supplier of power, natural gas and energy products and services across the continental United States. Constellation's family of retail businesses serves residential, public sector and business customers, including more than two-thirds of the Fortune 100
