

How can the Rhode Island Energy Aggregation Program help you manage your energy budget?

The Rhode Island League of Cities and Towns chose Constellation, with the help of a fully vetted contract with PowerOptions, as their endorsed energy supplier to provide value to members like you. Rhode Island League members can manage energy costs in new and powerful ways to achieve budget certainty, cost savings, and financial protection with Constellation's full range of integrated energy solutions. Constellation also provides the Rhode Island League with educational materials and a dedicated focus serving cities and towns within the state.

Why Choose the Rhode Island Energy Aggregation Program?

- Fully negotiated multi-year contract terms give the option to lock-in competitive prices for the short- or long-term
- Dedicated Rhode Island League, PowerOptions and Constellation staff analyze load profiles to offer various options for nonprofits to manage their energy budget
- Access to exclusive Rhode Island League Participant Agreement, negotiated and vetted by the league and PowerOptions on behalf of its members
- Free online energy management tools to track usage and billing
- Customized energy offers specifically designed for nonprofit and public entity members
- Constellation's energy commodities and regulatory groups provide regular updates on industry and regulatory issues
- Leverage the size of the league's program to afford the ability to install renewable energy projects such as wind or solar

Now's the Time to Proactively Manage Your Energy Budget

Energy has become one of the top five expenses for many businesses, no matter what their size. Today, more businesses are looking to Constellation to develop energy strategies to help manage these costs. Whether your business is looking for cost certainty with a fixed price solution; access to real-time market pricing with an index solution; or a more complex risk mitigation strategy, the Rhode Island League of Cities and Towns Energy Program can offer customized solutions for your business.

Constellation is a leading competitive retail and wholesale supplier of power, natural gas and energy products and services across the continental United States. Constellation's family of retail businesses serves residential, public sector and business customers, including more than two-thirds of the Fortune 100
